

This is to Certify:

That the **V-Trak** seating system
has been tested in accordance with
ANSI RESNA Standards for Wheelchairs
used as Seating in Transportation.

Standard Reference:

Annex A of Section 19 of ANSI/RESNA WC

In Adult and Paediatric sizes and in its
standard format

Test Date: 22 March 2000

The Directors confirm that as a result of this
test it has not been necessary to strengthen or
modify the system or any of its components.

*Full copies of the test results are available on
application for private study only (subject to status)*

Signed on behalf of Performance Health Products Ltd

Managing Director *Rodney Palmer* Date: *18th Mar. 04*
